The Lonon Agency Welcomes Redemption Road

Find your way...to Redemption Road – The crossroad where mercy met grace!

Redemption Road is an exciting Southern Gospel quartet, featuring the sounds of old-time favorites and familiar songs, blended with new high-energy songs of praise - infused with that classic, unmistakable Southern Gospel sound!

The members include: Steve Camping (Tenor), Rob Collins (Baritone), Kevin Davis (Bass), and Adam Smith (Lead). The group was officially founded in March of 2008.

“We feel that God strategically brought this group of people together and it has been amazing to see the miraculous doors and opportunities that God has opened for us. We are very blessed to be able to minister together and to use our gifts and talents to serve His kingdom. We feel that God has called us to go out and sing a message of hope, to share His Word and to see people give their hearts to Christ or rededicate their hearts and lives back to Him” says founding group member, Rob Collins.

They are four completely different people, with different musical backgrounds and talents, but when they come together their mission is the same – they want to be vessels that God can use to reach someone and to see them restored, encouraged and most importantly receive Christ in their lives! Songs can transcend any situation or feeling of desperation like nothing else can. The songs they share are filled with truths and encouragement as they celebrate what Christ has done in their own lives.

I am delighted to represent this group of young men and highly recommend them. Songs by Redemption Road are currently being aired on XM. Their recently release CD, “When He Calls My Name” is now available on their website. We are also currently booking them for the remainder of 2011 and 2012. Perhaps not yet a well-known name, Redemption Road is sure to become a group in demand. They invite anyone attending the 2011 NQC event, to visit them at their booth #450. They will be performing at the Thursday Promoter’s Showcase.
